Mr. George Carey
Congressional Liaison
Central Intelligence Agency
Washington, D.C. 20505

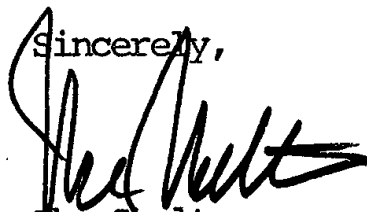

Dear Mr. Carey:

Many thanks for your courtesy during my recent visit to the Agency. I found the entire briefing to be thoroughly impressive and I am delighted to have been able to observe your operations at close hand.

I am most appreciative, too, for your kindness to my son, Jim. You made his day.

With warm regards,

Sincerely,

Ike Skelton
Member of Congress
